Notes:
1. Orders paid by Credit Card will be charged in Canadian Funds and will incur a 3% service charge if over CAD $2,500.
2. The quoted items have not been assessed for material compliance to RoHS, REACH, or other material regulations unless otherwise stated above or confirmed by Focal, typically through drawings, specifications, or compliance matrices. Please contact Focal for assistance if compliance is required for a particular product or product configuration. Late notification to Focal of material compliance requirements may delay delivery and / or increase the price.
3. The quoted delivery is our best estimate at the time of this quotation. However, due to significant supply chain challenges and variability in demand, we will need to review the planned delivery at the time your order is placed. Any required changes will be advised at that time.
