This RFQ and the information herein is confidential and is the property of Soil Machine Dynamics Limited and where relevant its affiliates and subsidiaries ("SMD") and where identified, respective third parties. Disclosure of any such information is to be made only to your employees or subcontractors who need to use this information for the purpose of the preparation or submission of a proposal under this RFQ and it is your responsibility to bind any such employees or subcontractors to retain such information in strict confidence. Should a Non-Disclosure Agreement be in place between you and SMD which covers the release of information similar to that of the RFQ the terms of the Non-Disclosure Agreement take precedence.

The issue of this RFQ is not a commitment by SMD to place an order. Any expenditure, work or effort undertaken by you or subcontractors instructed by you prior to an offer of contract and where applicable acceptance of that contract, is a matter solely for your judgement and is completed entirely at your own risk and cost. SMD reserves the right to withdraw this RFQ at any time, or to re-invite quotations on the same or any alternative basis.

Your quotation pricing is to be submitted in GBP Sterling (£) and is to include any packing, carriage or freight charges. Your pricing shall remain valid for acceptance for ninety (90) days from the issue date stated on this RFQ and is to be fixed and firm for the duration of any resulting contract.

A guaranteed lead time should be specified for each item within your quotation. Lead times are to be provided in working days/weeks as appropriate. All items are to be quoted against the specification provided and will include any relevant quality documentation and warranty terms. Any deviations or alternatives are to be highlighted at quotation stage.

SMD's standard Terms and Conditions apply, a copy is available on request.

Should you require any additional information please contact the relevant buyer.
