Where painting/coating is offered, please note our offer is based on a standard industrial finish. Therefore there may be handling/loading witness marks which WEC do not accept as reason for rejection. Furthermore, any standard material surface marks that may be present in raw material, and therefore visible post painting/coating, will not be accepted as a reason for rejection. Should this not be acceptable, please discuss your exact requirements with us prior to order placement so we can advise accordingly.

All placement deliveries are quoted on the understanding that delivery will be within WEC's schedule E and O.E.
The above quote is based on our standard terms and conditions, which are available upon request and from the WEC website.
WEC will not be eligible for any consequential losses for late deliveries due to unforeseen circumstances.
