SMD's Standard Terms and Conditions of Sale 'SMD-SAL-MIN-STD-009' apply to this quotation. These terms shall supersede and replace any and all other terms and conditions or previous agreements. Any special conditions agreed and incorporated into this Quotation shall take precedence over SMD's Standard Terms and Conditions of Sale.

Bank remittance service charges: Sender to pay ALL outgoing bank charges (include Intermediary bank charge); Payee to pay incoming bank charges.

If the cost price of stainless steel, high strength steel, aluminium, or copper increases by more than 5% compared to the cost price at the date of this quotation, the total price quoted shall be equitably adjusted. Any increases will be calculated by reference to the pricing indices of MEPS International for steel (<https://mepsinternational.com/gb/en>) and the London Metal Exchange Official Price Graphs for aluminium and copper (www.lme.com <http://www.lme.com>). Where the expected lead time and/or delivery date of the above is delayed as a result of a shortage or unavailability of such items or component parts, the delivery schedule quoted may be equitably adjusted.

Should an export licence be required for any item(s) listed above, any reference to an Ex-Works delivery intercom shall be automatically amended to Free Carrier (FCA).
